

**MEMBERS NEWSLETTER NO 87**  
**September 2000**

Hi Everyone,

We had an excellent meeting last month with 19 people weeding as they walked. The Weston Cubs & Scouts formed half the group and went to work with a will on "their" patch.

An early newsletter this month as we will be planting grasses on our Olympic site on Sunday 10th September which is Green Up Day. We have sent notices to the papers so hope to have a few extra helpers.

Sunday 17th September is our proper meeting day when we will have another working walk, this time around the planted area to the East of the large reservoir. I have been checking the plantings there and was pleasantly surprised at the success rate.

Pauline and Gosta have gone on holiday to America and Sweden. David and I are going to the Grampians next month. Would anyone be willing to organise the October Park Care meeting (Sunday 15th October 1.30pm). October 8th to 15th is Weedbuster Week; I'll let you know what events are being planned later in the month, maybe our group could weed on the 15th.

The next newsletter will be post Olympics and back to normal, thank goodness. Have a great month!
