

MEMBERS NEWSLETTER NO 47

NOVEMBER 1996

Hi Everyone,

The last newsletter for 1996, it must be almost Christmas; remember that our Park Care day is the Sunday of the first full weekend so the next one is on 8th December. We will weed around the new dam at Kathner St and have a nice social get-together. I would also like to discuss a few ideas so we will call it a member's meeting.

The Craft day was a great success and has enabled us to add \$268.50 to our funds. Thank you to everyone who contributed in any way. We have a pair of spectacles with sun visors left here on the day.

Will caretakers please complete their report forms and return them to Pauline or me. Could you please let me know any hours you have worked by this weekend. If you work on the Ridge it is essential that you sign yourself on and off each time; I have spare forms if you need one.

People who have not completed membership forms will find this the last newsletter they will receive. Please send in your form, phone for another one, or accept our thanks for your past participation.

We do not meet again officially until 2nd February 1997 but we will be working on the Ridge through the holidays when it is not too hot; there are always weeds to get rid of. Please keep a watch for any one behaving suspiciously; we have planted too many things for them to get burnt.

Thank you all for a most successful and happy 1996, I wish you a Merry Christmas and a 1997 which includes Cooleman Ridge in its program!

Statistics for October:

Hours	Park Carers	177)	
	CIT students	48)	225
Woody weeds			
Herbacious weeds		8000	
Trees & shrubs planted		181	
Herbacious plants planted		71
